SEPTEMBER WAS AN ISSUE TO REMEMBER

Dear Voluptuous,

You guys put out another fantastic issue with the Sept. '10 issue. Thanks for all of the nice surprises! When I was first lusting through it, I saw my letter in it! Wow! You really listen and value my comments. And thanks for answering all my questions.

This issue started with Raquel Grant. She looks great. I guessed her age as 22 and she is 27. I missed the erotic fiction and now I am hoping for more. I loved the photos of Kaytee and Destiny together, too. I am hoping for more lezzies in the magazine in the

Raquel Grant's killer curves hit home with a lot of readers.

Kaytee Carter and Destiny Rose did some steamy lesbian action in the Sept. '10 issue and our offices were flooded with fans' lusty love letters!

future. What about a classic older model pictorial? Maybe a model from like the 1940's or so? Also, please

keep the Plumper of the Month layouts coming. And thanks for the extra Maria Moore pictures! I loved them. And I really liked the idea that one reader suggested that you have a contest where the winner could win a date with a V-mag model.

That would be amazing! I would enter that contest. And please bring back Loly from March '10. She is a perfect 10. Thank for making a great magazine and always bringing us the sexiest newcomers.—E.P., via the Internet

Dear E.P., It looks like a lot of your favorite ladies are in this Awards issue! You can cast your vote for Raquel Grant in the Plumper of the Year category. Kaytee Carter and Destiny Rose are both up for the Newcomer of the Year award and you can vote for Loly in the Bush of the Year category. Have fun perusing the three traditional categories and the six new, exciting special categories that are featured in the contest this year. As always, thanks for your email!

LUSTING FOR MORE LICKIN' LEZZIES!

Dear Voluptuous,

I don't know if you guys started tak-

ing awesome pills or super vitamins, but the last four or five issues that I have picked up have been winners. Each one has been packed from cover to cover with hot ladies who have the kind of curves that get me going. My favorite issue so far? The Sept. '10 issue featuring the jacktastic photos of Kaytee Carter and Destiny Rose all over each other's sweet bodies. What I wouldn't give to be the cock in their lesbian sandwich. Now, I

am not complaining about all the XXX pictorials that you guys run each month, because I like to see the V-girls split open by huge cocks. But if I had one wish, I would ask that you guys feature more lesbians in the magazine. Nothing gets me harder than seeing two girls kissing and touching each other. I think it's even hotter than seeing them with a guy. Regardless, don't lose the momentum you guys have had lately. The magazine has improved and you're keeping all of us rock-hard and happy. And trust me when I say that I will be jacking to Kaytee and Destiny for many nights to come! Please tell me that there is a DVD with this scene in it! I need to buy it

for my porn collection, ASAP. Thanks V-mag!—H.K., Stockton, California

Dear H.K., Thanks for the love and you can pick up a copy of the DVD More To Fuck by ordering on page 9. In it, you can see Kaytee and Destiny sucking on each other's clam burgers. It's oh, so delicious!

V-MAG: MORE BANG-ING FOR HIS BUCKS!

Dear *Voluptuous*,

When I was working I used to buy every big-tit magazine I could find. Now that I'm retired and making less money, I have to be choosy about my purchases and I only buy *Voluptuous*. And I find that I get more great cums from your models than I used to get from all the others combined.

The reason, I think, is that your girls have a greater variety of tits than I can find in any other publication. In most of your competition's magazines, one girl's rack usually looks very much like all the others' and my jacking pleasure is limited. I never have this problem with V-mag. Every pair is unique and, as my mood of the moment changes, I can always find a girl (Or two or three!) who will get me up and off at

least once. The variety is unmatched.

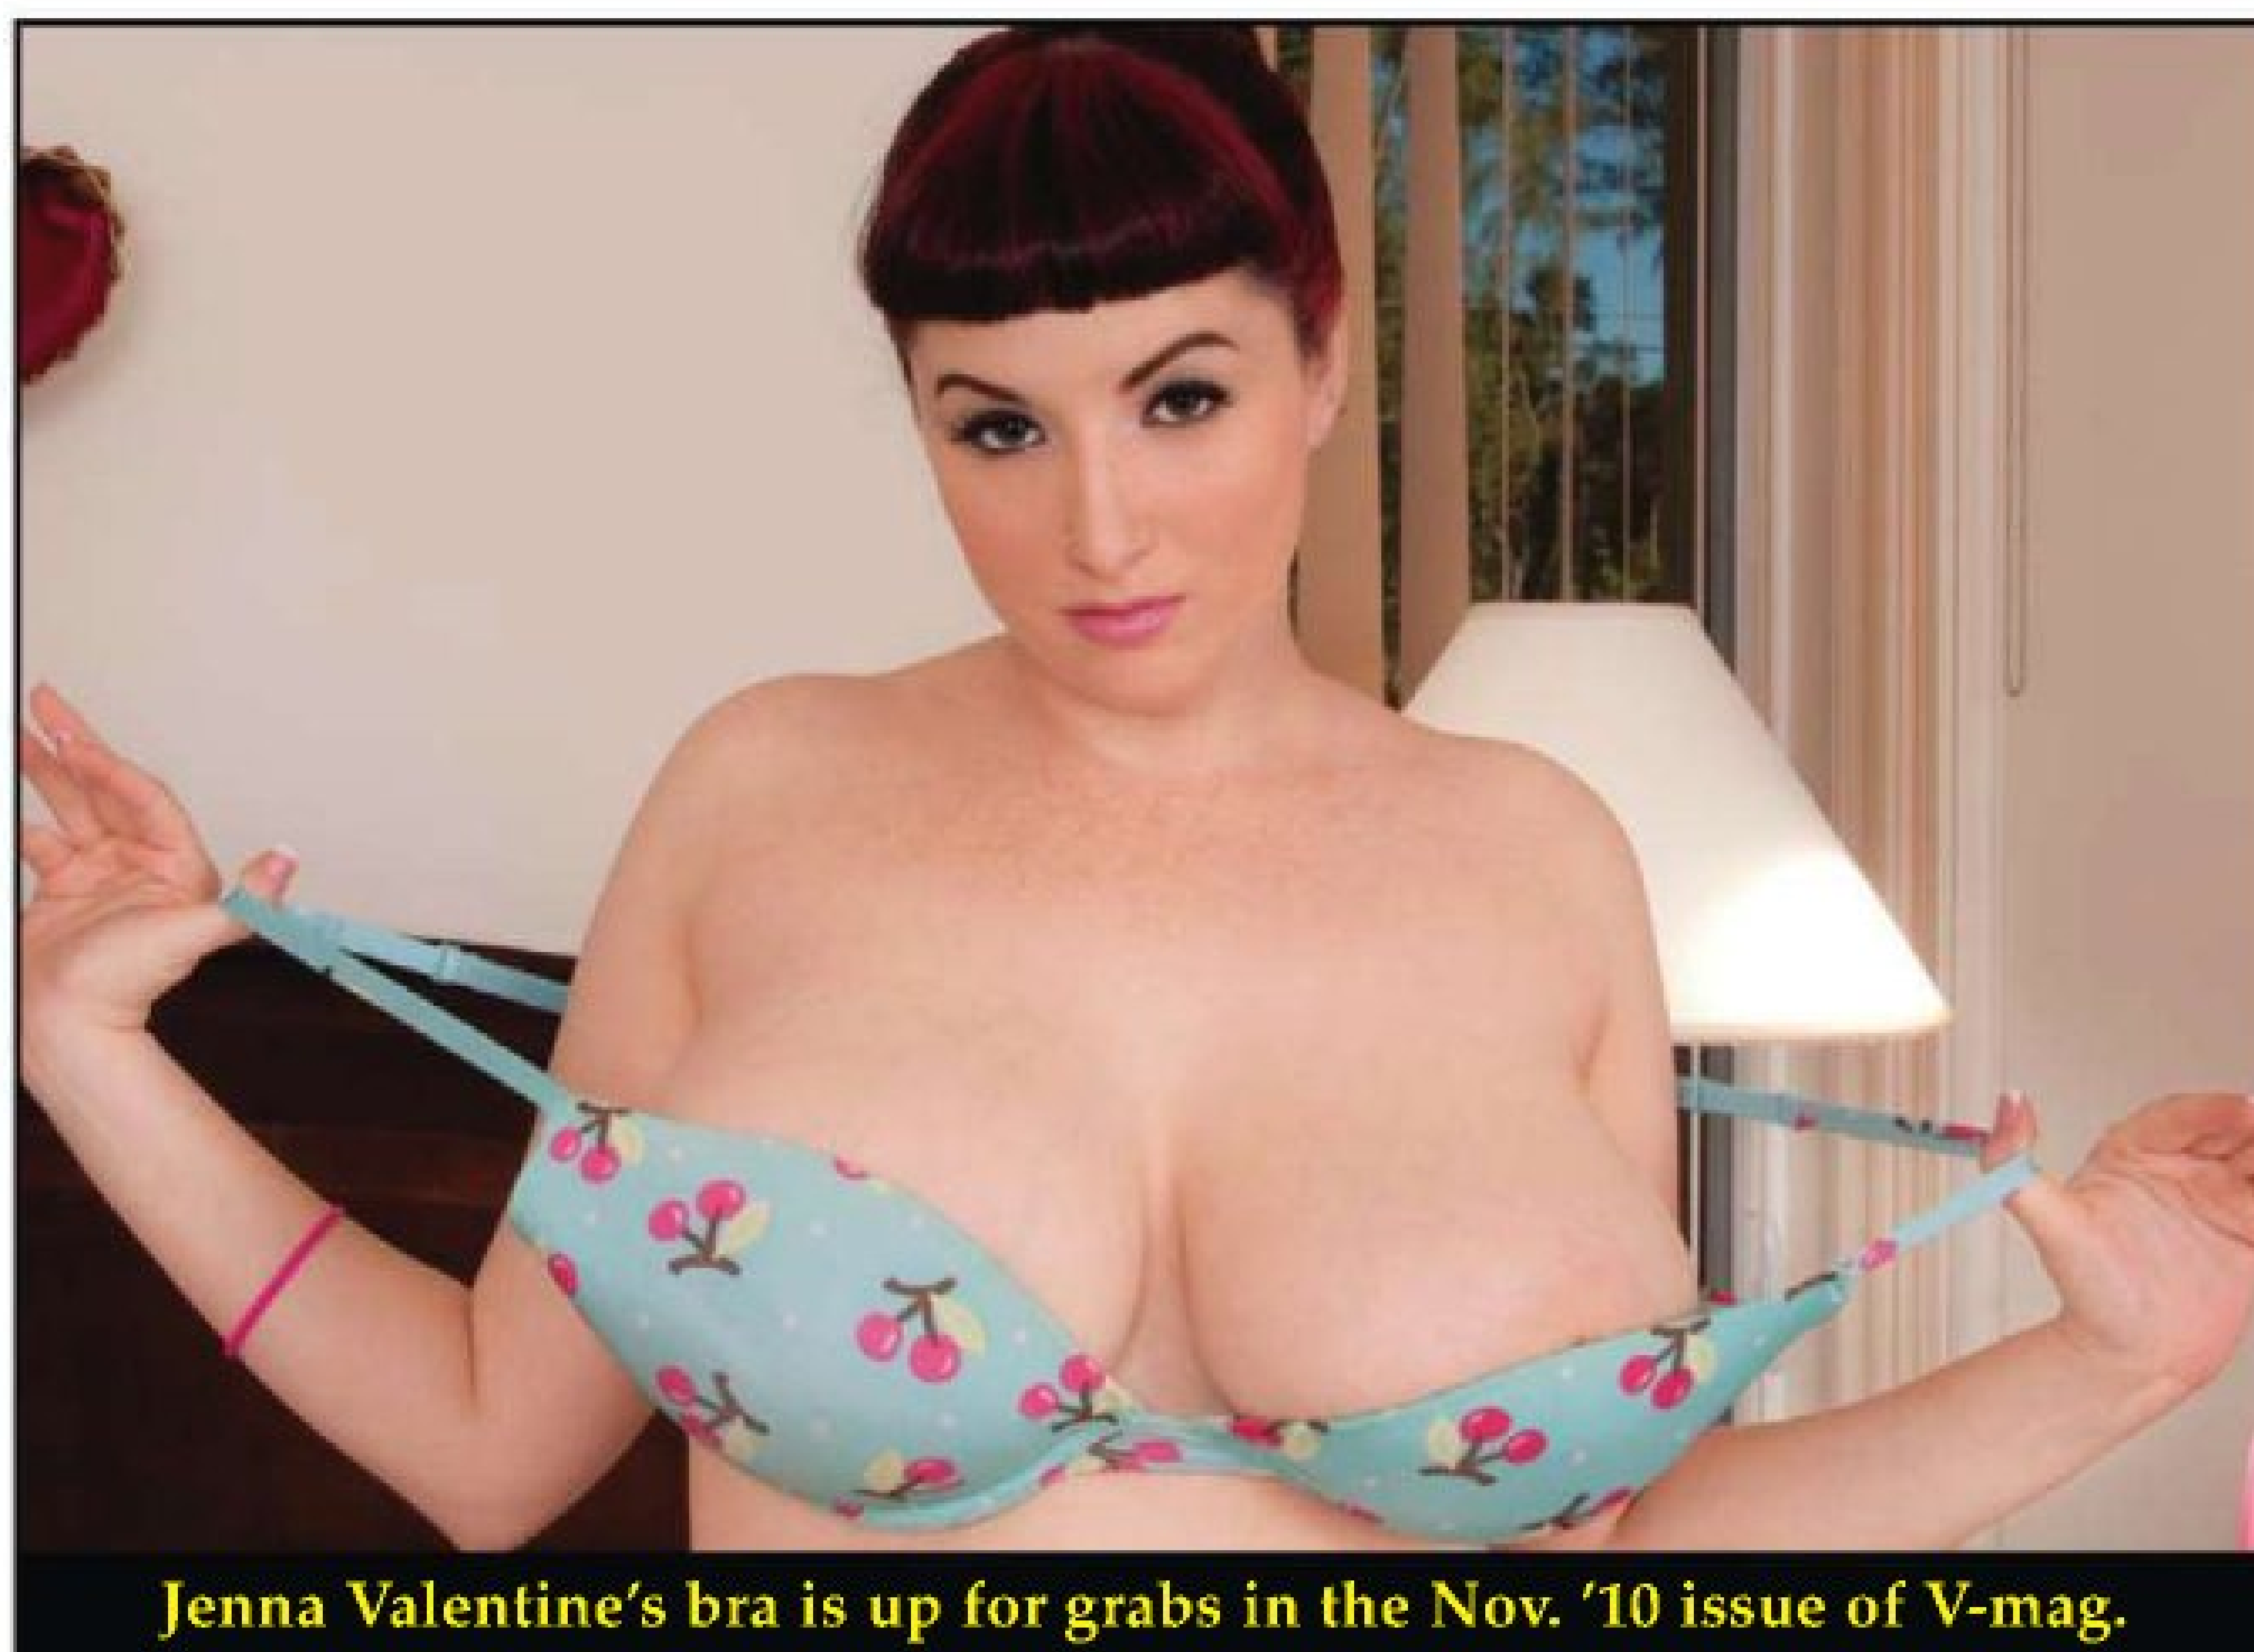

I am especially thrilled that in your most recent issues, *Voluptuous* introduced me to two new world-class beauties who make my toes curl with every load I shoot over them: Miosotis and Kristina Milan. Please convey my compliments to both of these beauties.—R.N., New Jersey

NOVEMBER '10 IS FULL OF GOODNESS.

Dear *Voluptuous*,

Once again you guys have put out a stunner of an issue. The Nov. '10 issue of *Voluptuous* is the stuff of legends! First and without a doubt, Miosotis has the greatest hangers of any model you've guys have shown. Up to this point my favorite has been Eve Tyler. I sure do miss her.

Next up was the My Cups Runneth

Jenna Valentine's bra is up for grabs in the Nov. '10 issue of V-mag.

Over bra special. I think you should start every pictorial this way. It was chock-full of anticipation! Michelle May and Karla James both in red were incredible. And Karina in that stunning blue bra was breathtaking. Then came the nursing bras; Oh, my God! I think that there is something so sexy about those kinds of bras.

Then I flipped a few pages and saw the Win Jenna Valentine's Bra contest and I think it's safe to say that yes, I'm entering that! Then I saw the Rene Ross and Sophia comparison pictorial. Yeah Sophia is cute and all, but seriously she is no comparison to Rene Ross! Rene is all-woman. She is truly an angel among us.

Then I turned the pages to see Alanna Ackerman looking stunning in red and taking some big, black cock! The picture on page 72 of her riding cowgirl and looking over her shoulder just screams, "Want to join me?" And believe me, the answer to that question is a resounding, "YES!" I do have

one question, though. Looking back at some of Alanna's earlier pics, her areolae and nipples seem darker.

Anything readers should know about or am I just letting my eyes play tricks on me?

My final assessment is that Nov. '10 is a great issue. You guys did a great job as usual and I am so glad that I subscribe to your magazine. I could

go on, but I am sure that this letter is already to long. Thanks for making the best magazine of all time.—Chuck, New Hampshire

Dear Chuck, Thanks for the letter praising our Nov. '10 issue. We will keep an eye out for your contest entry. And as far as we know, Alanna's areolae haven't undergone severe color changes. We see a slight difference, but that could be due to childbirth or that she was premenstrual. Or perhaps she might have tanned topless during her time here in Miami after one of her many shoots at our studio. A lot of our models spend days lounging on beautiful South Beach during time off from shooting. It's one of the many perks of having our headquarters located in paradise! Either way, we don't think that your eyes are playing any tricks on you. However, we think that the slight change in her nipple color is nothing to report. Thanks for your keen eye, Chuck!

GIVE ME A CLOSEUP OR GIVE ME DEATH!

Dear Voluptuous,

I just started reading your magazine recently and I have really fallen for one of your newer models. Her name is Anna Kay and I think she is a perfect 10. But she also has a really pretty face I don't like porn stars that look like slutty Barbie dolls. I think Anna looks

2010 NEWCOMER Contest OF THE YEAR

*Which one
of these
curvy, new
cuties stole
your heart
in 2010?*

There will be decisions that you make in your life that will be easy. THIS will NOT be one of them.

Why? Because 2010 was one of the greatest years in V-mag history for busty debuts and it'll be hard to narrow down your choice to just one. These 12 women dared to bare it all for the first time on our pages and they did not disappoint. With their fresh-faced sensuality and their full-figured hotness, every single candidate blew your mind and your load. Take your time checking out these babes before you cast your vote on page seven!

2010 NEWCOMER Contest OF THE YEAR

Destiny
Rose

When Romanian bombshell, Arianna Sinn (*left*) made her debut in the March '10 issue of V-mag, fans went crazy tout-ing her the greatest find since the likes of Bozena and Sharday. With her girl-next-door personality and a body built for, (What else?) sin, Arianna is a front-runner in this race. But first, she will have to shut down horny Czech goddess, Shione Cooper. (*Previous page*). When Shione debuted in the Nov. '10 issue, she was a shy model who didn't want to show her pussy, let alone do any XXX. Then she suddenly changed her mind and came to us to pop her hardcore cherry. (Her XXX layout in the Holiday '10 V-mag is the stuff of legend especially because her pussy lips stretch out as far as they do when wrapped around a stud's stiff Johnson!) Her horny disposition along with her perky pink nipples and doll-face make her a tough contender to beat. Another candidate who is primed for Newcomer greatness? Fiery ginger, Destiny Rose (*right*). Destiny is an exotic dancer from Ohio who decided to pose because she likes being watched. Her debut in the Feb. '10 issue was paired with a tell-all interview where she WOW'ed us with tales of lesbian three-ways in the snow and her penchant for fucking chubby men. As one reader put it, "That Destiny is a winner!" Well, not yet, but with your votes, she could be.

2010 NEWCOMER Contest OF THE YEAR

It's not every day that we have an incredible, new busty babe in our studios and to have TWO debuts show up at the SAME time is practically unheard of. But miracles do cum true and that is exactly what happened when new-mom Bebe Cooper and massage therapist Kaytee Carter (*both left*) walked into our lives. Bebe and Kaytee became fast friends and for the first time in V-mag history, shared their debut with a side-by-side comparison in the May '10 issue. With her veiny tits that squirt milk, Bebe melted the hearts of many fans that wanted her to lactate in their faces. Another newcomer that is making waves and leaving boners in her wake is blonde bomber, Cynthia Flowers (*above*). She may not speak much English, but Cynthia made it known that she loved cock, cock and more cock when she bared it all in the March '10 issue. And everyone is (busting) nuts for curvy Canadian, Taylor Steele (*right*). Taylor made her presence known when she unleashed her mighty 36G rack in the February '10 issue.

Contest **OF THE YEAR**

When pale-skinned, stacked hottie, Jenna Valentine (*left*) stepped out of our studio dressing room, she stepped right into all of our hearts. With her Valley-girl accent and her sultry looks, this stacked California girl won us over. She even showed us her “shy nipples” and talked at length about her love of candy bars and Cheez-its. “Jenna Valentine comes across as just an average girl with an above average body. That’s why I love her!” said reader R.R. from Kansas City, Missouri. And Trinity Michaels (*right*), is a housewife who debuted in the August ‘10 issue. She wanted to show off her tits so, “A bunch of guys can jack off to me!” she said, excitedly. Mission accomplished, Trinity!

Karla James

With so many newbies worthy of your spunk and votes, we had to save some of the best for last! Rounding out this rack-tastic category is a woman whose KKK-cup tits are even more spectacular because of her 50-28-36 measurements! Miosotis' whoppers (*left*) left readers in shock and awe when she debuted in the November '10 issue. And who could deny the power of the ultimate sex kitten, Karla James (*above*)? Tit enthusiasts everywhere have dubbed this Brit beauty the next Great One. And Carrie Ashton's (*below*) pierced pups in the April '10 issue helped her rise up the newcomer ranks while raising quite a few cocks, too!

Voluptuous girl-next-door, Dawn Phoenix, ties her meaty pussy lips into a knot. The phenomenon is known as labia stretching and Dawn was a pro at it.

Give me some lip...please!

-by **Dave Rosenbaum**

Shione Cooper returns to **SCORELAND** today in a pictorial from the October '10 issue of *Voluptuous*. I love Shione. I love her pouty face, I love her natural DDD-cup tits and

how her long nipples look when they're peeking out from a bra, I love her long legs and curvy body. But you wanna know what I love most about Shione? Her pussy lips.

I love Shione's long, pliable pussy lips and the way they hug a cock or

dildo. Yes, I said "hug," as in wrap themselves around the damn thing, as if they're trying to keep it warm and snug. Shione's pussy looks great all by itself, but it looks even better when it's got something in it, something to bring out all that's good about her pussy lips.

Now, I know some of you aren't into long, pliable pussy lips. Some of you like pussies a little...neater? But for me, there's something hot about a pair of pussy lips that you can tug and chew on, and when you look down, that pussy you're fucking seems to be wrapped around your cock, inside and out. Then there are ladies like Lily Valentine, who just might have the greatest pussy lips in the history of *SCORE* and *Voluptuous*.

You know, I think I just figured out what I love about Lily's pussy. She has more pussy than other girls. Every girl has a pussy, but she has more of it. Hers is out there. She doesn't have an innie pussy (which are fine, too. There's something to be said about digging for pussy). Lily always seems to be saying, "I have more cunt. Deal with it." At this point, I'd just like to point out that there's a big difference between referring to a woman's pussy as a "cunt" and calling a woman a "cunt." Calling a woman a cunt is never acceptable. Referring to her pussy as a cunt is acceptable. So, "You're a cunt" is always bad. "My, what a beautiful cunt you have" is good.

The legendary Veri Knotty made a career out of her long, pliable pussy lips which, as her name implies, she loved to tie in knots. Another *SCORE* Girl from the past

also liked to tie up her pussy lips. Here are the photos. Can you guess who those lips belong to? (They belong to Dawn Phoenix!)

Busty Lesbians: It's what's for dinner! -by Maria Guerrero

There are two things that I can have a healthy helping of at any time and always have an appetite for: ice cream and curvy lesbians.

And believe you me, just like little kids freak out for ice cream, I freak for hot, built dykes and lipstick lovelies.

Lesbians can do no wrong.

It is hard to describe exactly what it is about two women going at it that does it for me. It's, like, a combination of things. For starters, I like watching women kiss. When men kiss women, it's hot and more...brutal? It's harder and aggressive. But when two women kiss, it's softer and sexy. They don't devour each other. They take small tastes of each other's mouths, and I

find that mother'effin HOT. It really gets me goin'...knowwhaddamean? And I like watching chicks explore and touch each other, too. It's not hurried like watching a man feel up a woman. (Not that I have anything against watching a man be, well, a man. I like watching a guy attack a pair of big, ripe, juicy titties.) When women touch each other, it's languid. (I love that word. I think it sounds dirty!) It's like drinking a cold mint julep on a hot day here in the South and hearing the ice clink and seeing the beads of condensed sweat on the glass. It's steamy. It's erotic. It's delicious.

I have quite a few faves when it comes to lesbians on SCORELAND. I am a big fan of any lezzie scene with Gianna Rossi. (I hope Gianna reads this and sets her lezzie sights on me.

Hi, Gianna! I wanna be on you!) I dig her army-girl inspired shoot with Terry Nova shot in the Bahamas. I also like anything involving wetness

and lesbians like Christy Marks and Angela White and sexy dames Harmony Bliss and Mia Starr. Why is that? Well, I think that ladies' twats and titties should be dripping wet. It's glorious! I am also into lesbians who are thick like Marille and Angelina. To me, thick women scissoring and grinding pussies while their titties swing is oh, so good. And when girls strap it on, like Annie Swanson and Ana, I can get into it. (Especially if they are both saying all sorts of dirty things while piping one another...fuck yes!)

But, the NUMBER ONE lesbian scene of all time, at least for me, has to be when Dominno and Katarina Dubrova played a little game of Masturbation With A Friend in the epic movie *Hooter Hotel*. Why? Well, it's not the

most fucktastic lezzie scene of all time, but there is something incredible about two very sexy women dressed up in French maid outfits and makin' out. And maybe I am biased because I was actually on location in Hungary when this scene was being filmed, and actually in the room when these two women started licking and sucking each other's nipples...but to me, these lesbians are A+. It was all I could do to contain myself from lying on the bed with them and declaring, "I've been dirty. I need you maids to rub me down." lol (My porno fantasies are epic!) If you haven't seen Dominno and Katarina together, you are missing out big time.

Whew. All this lezzie lusting has made me hungry. I could go for a bowl of ice cream and some lesbians right now, actually. lol

Hope you guys chime in with your favorite lesbian scenes, too. I always like to hear all of your opinions!

Because you're mine, I walk the (tan) line...

-by Maria Guerrero

Tan lines: I am not sure how I feel about them.

I look at ladies like Heidi, Christy and Ginger and I am fascinated and confused by their tan lines. To me, they look like milky-white pasties and I find them almost distracting. Like, I can't see their boobs because they are wearing a tan line bikini. I

Tis a common misconception that just because *Voluptuous* readers like the upper parts of a female's anatomy that they are automatically not interested in her other round parts, namely, her ass. This is not only untrue, but a shame because truth be told, a lot of V-girls are packin' a lot of heat in their seats. In years past, the ass was vastly overlooked in the annual contest issue, too. (Along with some of the finer parts represented in our new, special categories, like areolae and pussy.) So, we decided that if we were going to celebrate the women whose tops were tops that we were going to praise the big bottoms and the women that got 'em. Women like Kristy Klenot (*left*) who showcased her fine, bubble ass in the August '10 issue by mounting a saddle in the Hungarian woods. And women like Shione Cooper (*right*), whose knee-high boots in the October '10 issue really lifted and showcased her extra-juicy, plush booty.

What better way to showcase the rumps in this category than to have some of the best V-girls of all time drop down to their knees and get their asses up in the air? We don't know about you, but we think that there is something to be said for having a girl face down and ass up! When we first saw Dominican mami, Kristina Milan (*above*) in the October '10 issue, we were blinded by the splendor of her tan tatas. But when we finally got our wits together, we saw that she had quite the tight end when on all fours. And Arianna Sinn (*above*) might be top-heavy, but she also has a perky ass that she likes to have manhandled. And Ashley Sage (*left*) is all curves and some of those curves reside in her squeezable, fuckable bubble ass. With her pale cheeks, we are sure that some light spanking would make them nice and red. Karina Hart (*right*) also has an incredible ass and when she spreads it wide, you will want to bury your face in it.

Sometimes a busty babe with a nice, round ass can even be a...dare we say it...BUTT SLUT! That's right, gentleman. Sometimes a girl doesn't want your cock between her tits, but rather, inside her ass

tunnel! This is the case for February '10 V-mag's Destiny Rose (*above*). She likes it when guys play with her creamy cheeks and doesn't mind a few anal beads or fingers in her ass, either. And Carrie Ashton's (*right*) pierced nipples should give you a heads up about how wild this woman can be, but even we weren't prepared to hear that she likes to be ass-fucked and doesn't even need lube for the action to go down! Carrie spilled all of her ass secrets in her April '10 interview. And Karla James (*right*) may not like to show any pussy, but goddamn is she packin' a whole lotta ass! Lush Latina, Paola Rios (*right*) has quite the caramel cushion and Cherry Brady (*right*) has a plump caboose that you want to squeeze and smack around.

One of the finest tails we have ever seen up close and personal belongs to Latina Lanea Love. Lanea's ass was not only round and bulbous, but this freaky lady gave us quite the education in how to handle a big ass. We are going to recount it here since we figure that no Best Ass category would be complete without Lanea's rump rundown. "You can't just grab an ass," said Lanea. "You have to cup it and squeeze it firmly. And ass needs to be manhandled. It's not like a pair of tits that need to be handled with finesse. Nope! An ass needs to be handled with authority. It needs to be smacked, pulled open wide and squeezed. I like having my ass eaten, bitten and beaten. It just feels good." Who can argue with her logic? Make sure to vote for Best Ass on page seven.

like a girl that you would find on a college campus or working in a retail store. The fact that she looks like a natural, average woman should be celebrated. I know that readers write in and ask for bonus shots. It would kill me and I mean that in a good way, if you could give me a bonus shot of Anna's pretty smile. What can I say? AMBER LEE HAS A JUICY, MEATY CUNT

Dear Voluptuous,

In the Nov. '10 issue, you guys featured a model named Amber Lee and I had to write in and say that she has quite the juicy, meaty cunt. I've seen some pretty incredible pussies before, but hers is easily in my top ten. There is an amazing shot in the magazine where she is sucking on this huge black dildo and right below, you can see her pussy lips in all their meaty glory. I would love to go down on Amber and suck on her pussy lips. I would suck on her big lips for hours. And maybe it's because I am so into her nether lips, but I find her face and tits to be really sexy, too. She looks great in that red corset, especially with her big tits flopping over it. She has nice floppers that I think would swing

This is a big-tit magazine. We are going to go right ahead and put that out there. In this magazine, we celebrate all things tits and boobs. So, you might be wondering what's up with this new, special category about pussy. Well, we are going to answer your query with a question of our own: Who doesn't love pussy? Take a moment and think about it. Ask yourself, 'Self, do I love pussy?' We all know the answer. Yes, yes you do. And you know what? We love pussy, too. We love everything from a swollen pair of lips to an engorged clit. We love pussy that's spread open wide, like a red carpet invite for your hard cock. We love pussy that is dripping wet, so wet in fact, that it glistens. We love pink pussy, brown pussy and black pussy. Pussy is just good. That's why we want you to vote for your favorite pussy of 2010. Check out Karina Hart's pussy (left). Doesn't it look like a winner?

2010 BEST PUSSY of the Year Contest

Now that we are on the topic of pussy, we want to take a moment and applaud all the models in this category. Being nominated for Best Pussy of 2010 is quite an honor. It's like we are saying, 'Hey! We like your box and we want to put our dicks in it.' And you know what? That's a compliment to these sexy sirens. Why else would they pose like this, spread right open, for your inspection? Check out Angela White (*left*) and her pink pussy flaps. This titter from down under really has some nice lady parts down below. And there is nothing like a tan lady like Vanessa Del Mar (*above*), holding her lips open and revealing a little slice of pink heaven for you to dive into. And Cynthia Flowers (*above*) may not be spreading her cooze, but don't her pussy lips look extra puffy and fat? What about Destiny Rose (*above*)? With her labia open, it's like she is making you an offer you can't refuse. But no model overcame more than Jenna Valentine (*right*) to be nominated in this category. Why? Because before this shot, she had never even shown her puss on camera! Way to overcome your slit shyness, Jenna!

And what Pussy contest would be complete without a series of pussy close-ups? It's like a pussy buffet for your eyes. We want you to look at these clam burgers and really feast on them. Notice how Shione Cooper's (*above*) pussy is slightly smaller and darker than Cherry Brady's (*above*). Make note of how Sadie Berry (*above*) has a tight-looking box and barely any lips. Check out how Miosotis' kitty (*above*) looks like it could swallow your cock whole. And Taylor Steele's (*right*) pussy looks fat and juicy! Yum! Have fun checking out all of these slits. *Bailey
Santanna*

We'd like to take a moment to invite you to be part of a moment in history. That's right, the time to vote for Model of the Year is here. No other title is as coveted in V-mag as Model of the Year. To be nominated, to be one of the 12 who are noted for their chesty contributions to a nation of jack-happy gentlemen, well, it's an honor. Every year 12 ladies stand out and every year, you, yes you, elevate one to the top. Well, this year, you've got your work cut out for you. It won't be easy. The contenders are some of the bustiest greats we have ever seen. Ladies like Bailey Santanna (*left*) whose costumed appearance in January's issue was scorching hot. And a phenomenon like fan-favorite, Renee Ross (*right*), who is poised to go all the way.

2010 MODEL Contest OF THE YEAR

They say that winning isn't everything, but we are here to tell you that yes, it is. The winner of Model of the Year joins an elite group of legends. She becomes part of an exalted tradition. There have been many who have stood before you, but only a chosen few who claim the top honors. And this year's competition is fierce. Brunette stunner, Kristy Klenot (*left*) is vying for the prize, flaunting her 32E rack for your perusal. And Paola Rios (*below*) is bursting out of her white maternity bra to gain your favor. (And who could ignore her E-cups, especially with those dark areolae practically waving at you?) These ladies are showing you their goods in a subtle, sensual way, hoping that you cast your vote in their direction. But one contender is not as subtle. Oh, no. French vixen, Natalie Fiore (*right*) doesn't believe in being subtle. She is putting it all out there for you; her bush, her pussy and her 36G rack. It looks like you've got some hard decisions to make, V-mag readers.

As if your decision wasn't already hard, one model made her mark in the 2010 race and right at the end. That's right! V-mag veteran Cherry Brady (*left*) made an explosive comeback in the last issue of the year, making Holiday '10 V-mag a collector's item almost overnight. "When I saw Cherry in the magazine, I said to myself, 'She's going to win model of the year this year. You watch,'" said reader F.Y., from Las Vegas, Nevada. But before Cherry sweeps this contest, she will have to beat out mocha mammed madame, Mianna Thomas (*above*) and chesty Czech chick, Sophie Mae (*below*). It looks like Cherry's got her work cut out for her.

2010 MODEL Contest OF THE YEAR

And in case you were wondering who the model to beat this year is, the answer (And her nipples!) are staring you in the face. It's Karina Hart (*left*), last year's Model of the Year winner. But hot on her tail is last year's Newcomer of the Year winner, Ashley Sage (*right*). Ashley had no problems sweeping the Newcomer category last year, but the fact that she doesn't show her pussy may hinder her ability to go all the way in this category. Especially with horny vets like Angela White (*right*) and Michelle May (*next page*) in the running. These ladies are fierce competition and the race will be a tight one. Good luck with your choice!

BEST PREGGO
of the Year Contest

*They're ready

Preggos: forbidden fruit for some, but for others, the ultimate pleasure makers. What is the allure of these knocked-up women with their bulbous bellies? One reader put it into perspective when commenting on the *Chesty Preggos* #2 DVD review in the March '10 issue. "Pregnant women have a certain glow to them that turns me on. Their tits are bigger. They are hornier and want to have sex all the time. And just to point out the obvious, you can't get them pregnant when you fuck them so you can fill them up with your cum," said F.L. from Tallahassee, Florida. Looking at these preggo pretties, we have to agree that there is something to be applauded about a busty woman whose tits get BIGGER! We have received so many letters over the years about preggos that we decided that this year, you could vote for your favorite pair of knocked-up knockers! April McKenzie (left), Sunshine (right top) and Stefani (right below) all showed significant breast growth and darkening of their areolae when they posed preggo.

BEST PREGGO**
of the Year Contest

One of the production secrets during the filming of *Mamazon*, one of the biggest cockbuster movies of 2010, was that one of the stars, Kali West (left), was four months preggo during filming. She wasn't really showing, but when she returned to our studios a whopping eight-months pregnant, her tits and her belly had really grown! Kali posed and showed off her hairy clam, which she said she had let grow because her belly got in the way of shaving it. And Jen Capone (below) came in to shoot for our sister magazine, *Naughty Neighbors*, but we fell in love with her dark areolae and had to steal her away for a preggo set when she looked over and said, "I'm so fucking horny right now! Being pregnant makes my pussy wet all the time!" And no one can deny the allure of V-mag legend, Lorna Morgan (right). Being preggo made her even more beautiful, if that is even possible.

*They've got

There are many ways that you can refer to a lady's hairy clam. You can call it a fur pie. You can name it a bush burger. You can even call it a fuzzy fuckhole! Whatever you refer to it by, there is no denying the visual impact of a pussy covered in hair. Especially in these times where women wax, epilate shave and tweeze all of their hair off. In fact, if you were to compare the number of V-girls with bushes to the ones who sport bare, hairless pussies, you would note that bushy babes are definitely the minority. But, luckily for you, there are a few stacked wonders like Sabina Leigh (*left*), who rocked a full bushed while baking cookies in the Holiday '10 issue and redheaded slut, Lucy (*right*), who let her fiery bush hang out in the April '10 issue. The ladies in this new V-mag contest category are pioneers! They want you to fall in love with their hairy cherries and it's hard not to. These women are hot and so are their juicy fur pies!

Loly

Aileen Ghetmann (left) made a splash in the 2009 Newcomer of the Year race, narrowly missing one of the top three spots by a handful of votes. One of the most-common comments on the ballot in regards to this mocha-mammed marvel? "I love her furry pussy!" Aileen says she keeps it au natural because she likes the way her hairy pussy feels. Nadia (above), whose pale skin and dark rug delighted readers in the January '10 issue, is from Ireland and told us that most European girls have some fur on their lips. Kali West (above right) sported a full bush in the May '10 issue and said it was because her baby belly made it hard for her to shave her pussy. And Loly (right), our spicy Latina from the March '10 issue said her bush makes her feel like a natural woman. You can cast your votes for best bush on page seven!

HE SAYS HE IS JUST VOICING HIS OPINION

Dear *Voluptuous*,

I've been a subscriber to your wonderful magazine *Voluptuous* for around eight years and have loved and enjoyed every minute and the excitement of the day the new issue is in my mailbox. Personal favorites are among Michele May, Taylor Steele, Renee Ross and so many others! Yes, I have a fetish you could say for bigger, curvy, voluptuous women!

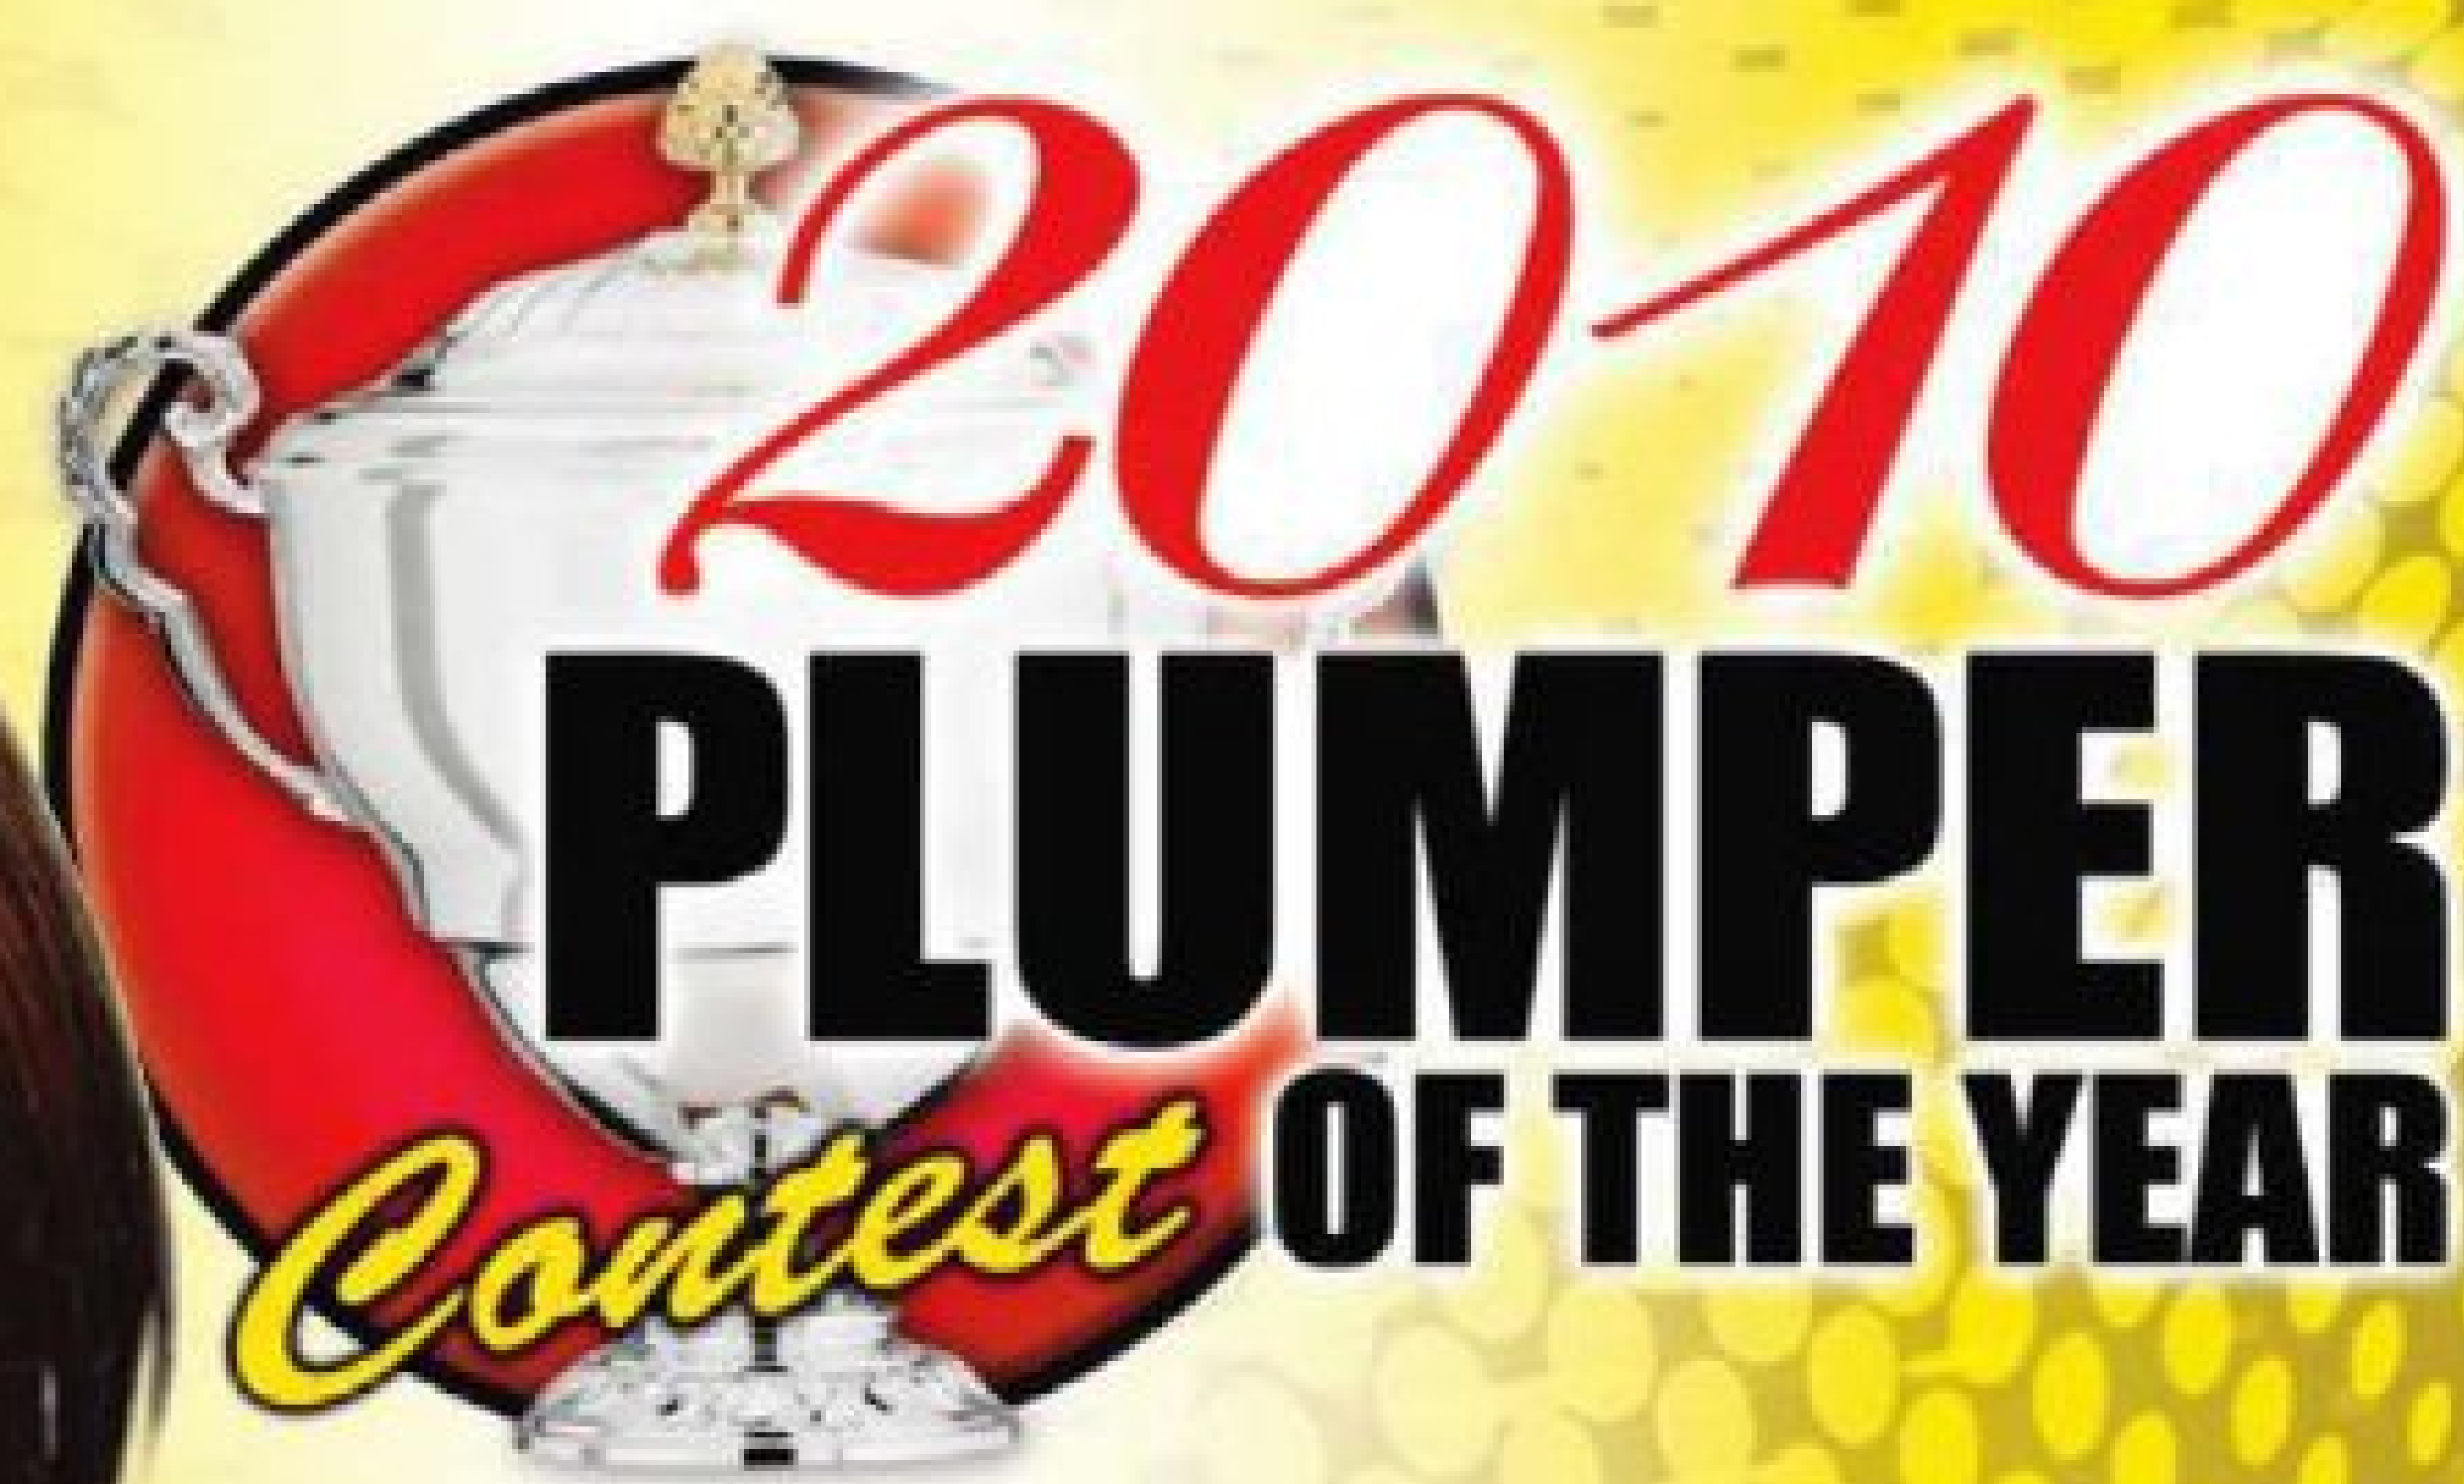

Sadly, my current subscription is about to expire and I'm actually debating on whether or not to renew this time as I couldn't help but notice a trend lately that I'm not at all pleased about. Let me explain.

I'm a white male, 43 years of age, and as I've said, I love all of your beautiful, curvy women. In this great country of ours, I am, or at least thought I was, entitled to my opinion without someone screaming about racism! I'm so sick of hearing that! It's just that I prefer white girls! Over the years I

Perhaps one of the most-debated categories in V-mag contest history, the Plumper of the Year competition is always fierce! There is something about these ladies with a little extra-cushion for the pushin' that make all of our readers go nuts. Last year's winner, Samantha 38G sparked a debate so intense that one reader sent in a 23-page letter to sing her praises! Whether it's their plush bellies or their extra-large tits, these plumpers are packin' the extra poundage in all the right areas! We love ladies like super-titter Tatiana Blair (*left*) who is a heavyweight contender for this year's Plumper title.

2010 PLUMPER Contest OF THE YEAR

One contender who is favored heavily by fans is Czech dream, Anna Beck (*left*). Anna made her debut in the April '10 issue and her veiny boobs practically instigated riots! One reader said, "Anna's big tits, with all their veins, are perfect. The blue hue of her veins look like little roadmaps for my cock. I just want to massage them until her tits are a rosy color." Another super-plumper who almost won the 2009 Plumper of the Year award is PPP-cupper, Shar (*above*). With her massive bosom and her pretty face, Shar is sure to be in the lead this year, as well. Angelina Vallem (*right*) may be a plumper, but this lady loves her curves. "I have never had a problem with being curvy. I think it's feminine." We agree!

Melonie Max (*above*) is a Las Vegas vixen who debuted in May 2010 and went on to star in one of the greatest reality-porns of all time, *More To Fuck*. And Rose Valentina (*right*) made your dick hard in *My Big Plump Wedding* and then with her tell-all interview in March '10.

Kristina (*right*) had just recently had a baby and her massive mams were full of breast milk. Our photographers told us that she was dripping all over the place when she unleashed her heavy floppers. Not that they minded one bit. Cast your vote for your favorite plumper on page seven.

mean, they have fantastic jugs and that's awesome, but I am caught in the glare of their lines.

I have plenty of guy friends who think that this half-baked look is all the rage. They think it's sexy for a girl to have pale, white triangles on her person. Ah, I don't know if I can get into it. Sure, in years past this was more of a fad than now, especially with sun block and people being more wary about spending time in the rays. But it still exists. I see it all the time. But I think that I prefer the idea of a woman with no tan lines. To me, it means that she is tanning her tits and that she is out in public with her boobs out to the wind. (I think that a woman topless in the sunshine is 100 percent GREAT!)

What do YOU guys think about this? Are you into the two-tone titties? Or are you a firm believer in monochromatic mams? (I know I am!)

I considered basketball because of all that dribbling and bouncing. Baseball is too static. Football, maybe, but they're all armored-up. I admit lingerie football seems to have some popularity lately on TV. Bowling was a possibility. My mind's in the gutter anyway. So was trampolining, hula-hooping, tennis and volleyball.

Then I decided. Pool! Otherwise known as billiards. Get a big-boobed babe to lean forward and slide that

Your opinions help us to keep on pumping out the hits that keep you sausage stranglers, well, pumping!

And, how cool is it that you guys can interact with the models? Because here on the blog, we get a lot of comments from V-girls and SCORE girls.

And how cool is it that we make blog videos where the models have fun and you get to know them better?

So, happy birthday to us and thank you to the fans for all of your input and blogging'ness, which rules! Your support of our blog is great and much like underwire to titties. Thanks for helping us stay solid!

you, kids.*

Cherry Brady

Areolae come in many a shape and many a size, but one thing is for sure, they make a set of tits, well, tits. Sure tit size is important. So is shape. But at the end of the day, what make a set of hooters memorable are the headlights that unabashedly stare you in the face when you are confronted by a large set of tatas. That is why we have decided to pay tribute to the teats that are sweet like treats by having the first annual Areolae of the Year contest in V-mag history. Because we think that areolae like Cherry Brady's (*right*), from her comeback pictorial in the Holiday '10 issue of V-mag need to be recognized and revered. Amen!

BEST AREOLAE
of the Year Contest**

When super-plumper extraordinaire, Shar (*left*) appeared in the July '10 issue of V-mag after a over a year hiatus, we received tons of emails and letters about her return. And although everyone was praising her giant PPP-cup tits, the focal point was not the massive size but rather, her dark chocolate areolae. And when Natalie Fiore (*above*) returned to V-mag with bigger tits in the May '10 issue, fans noted that her areolae had gotten larger and slightly darker. One reader commented that Anna Carlene's dugs (*right*) are, "Peaks of perfection. She has these incredible dark nipples that beg to be suckled and pulled on." We agree 100 percent!

2010 BEST AREOLAE of the Year Contest

Perhaps one of the most-noted dugs of all time belong to British fox, Denise Davies (left). Now, some of you more-observant folks are already wondering why we are featuring Denise because she wasn't in V-mag this year. Ha! That is where you are wrong. Denise actually appeared in the UK version of August '10 V-mag! And although most of you didn't see her barmaid layout, we felt compelled to put her in the issue because her headlights cannot be denied. In fact, here's a fun fact: Denise's areolae measure 4 1/2 inches all the way across and 2 1/4 inches from the nipple to the edge. How do we know that? Easy; we measured. Other notable perks on this page belong to April '10's Lanea Love (right) and we think her caramel dugs are dynamite! The pierced pups are Carrie Ashton's (right) from her April '10 debut pictorial. And the soapy, wet peaks? They belong to the one and only Mianna Thomas (below). Which one of these ladies will reign supreme? You decide on page seven!

*Paola

Kristina Milan

Paola Rios (*left*); those two words should conjure up visions of some of the most-perfect tatas in all the land. Why? Because of her prominent tan dugs. They are like a bull's-eye for pleasure. And Kristina Milan's (*above*) milking dug looks good enough to suck on. Sophie Mae (*below*) told us that her nipples are very sensitive and that she spends a lot of time lotioning her areolae each day. And if you wonder what cherub-faced Shione (*right*) does with her plump, bee-stung lips, wonder no more. She wraps them around her puffy areola and sucks them daily! Yum!

V-MAIL

Continued from page 62

have often wondered why in every issue you have a layout of a black woman? I mean it doesn't turn me on in the least bit but hey, to each his own and I'm sure you want to appeal to everyone in your target market of readers. But since it is in every issue it just makes me wonder why? With the exception of some Spanish girls once in a while, (But not in EVERY issue!) why does a black woman seem to have to be in each issue?

I read a letter in the V-mail section a month or two ago about the guy that wrote in asking why you don't feature more black men in the boy/girl layouts and I guess that it is a valid question from him. And now here in my Nov. '10 issue, Alanna Ackerman having sex with a black stud. So this proves that you listen to your readers and that is something to respect. However, the whole interracial thing is not for me. I'm NOT in any way a racist, but I just don't like it, nor do I want to see it. It doesn't turn me on! For the record, Asian women don't turn me on and obviously neither do skinny no-tit women! I hope you take this into consideration. And this letter is just to vent my opinion nothing more.—D.Z., via the Internet

Dear D.Z., Thanks for your opinion. We feature women of all shapes and races in V-mag because we believe in variety and quality and we try to cater to all of our readers. We hope that we feature models that appeal to your tastes, but we try to appeal to the wants and needs of all our readers, too.

KUDOS FOR MAKING SUCH A DIVERSE MAG

Dear Voluptuous,

I have been a subscriber to your magazine for over five years now because you always feature newcomers in every issue that I can't see anywhere else. And I find that the variety of models you place in each issue is unparalleled. Every issue is a treat for boob fans like me. I like that you feature all kinds of women, but my favorites are the ethnic models, especially your two new finds, Miosotis and Kristina Milan. Please keep these dark and lovely ladies coming! I love the diversity in the pages of V-mag.—G.J., Boston, Massachusetts

What makes a lady a good lay? Is it her ability to make a guy blow his wad with the efficiency of a 1950's secretary? We think not. Is it in the way she slob on a guy's knob, with gusto? That's a part of it, but that's not all it takes. Is it how many positions she can bend and twist herself into while keeping a cock snugly stowed away inside her snatch? That's not quite it. Here at V-mag, we like to think that the true measure of a V-girl's ability to smoke a stiff cock is whether or not she looks like she is enjoying every second of being piped fast and hard. Not every woman is a good lay, but you can trust the twelve V-mag pounders on these pages are the mightiest sexual-dynamos you will ever lay your eyes on. Prepare yourselves for XXXtreme fucking and sucking!

Sometimes a model comes into our studios and she is already a seasoned porn star who loves to fuck on camera. But most of the time, models are trying XXX for the first time and when they nail it (Pun intended!) it's almost magical to watch. When Camelia Davis (left) hopped on the baloney pony in the April '10 issue, she told us that she loved to fuck so much that she couldn't wait to get it on with our stud. The result? A sweaty, raunchy XXX scene in the movie *Sex In The Titties*. And when fresh-faced Hillary Hooterz (above) got it on for the first time, we could hear her cries of passion from across the building. In fact, it was hard to get this plumper humper to stop because she was so in the zone...the fuck zone, that is. And all of the rumors about how redheads have fiery dispositions in the bedroom are TRUE, especially about April '10's Contessa Rose (right).

No one was more excited or savvy in the ways of blow-jobs and titty-fucking as Renee Ross (above). Fresh from her 2009 Newcomer of the Year 1st Runner Up placement, Renee gave

Christy Marks may have started her career as a shy teenage titter, but she soon graduated to full-blown (Another pun intended!) porn star and celebrated being 2009 Model of the Year runner-up by doing what she loves to do best; fucking a huge cock in the June '10 issue. Christy's dick-draining abilities come from her love of sex and she always says that you should do what you love. Amen, sister!

Sometimes a model will debut and within weeks, call us and tell us that she is ready to go all the way. (And who are we to deny a woman's urge to merge, eh?) When Kristina Milan (left) debuted in the October '10 issue, fans applauded. But when she went on to fuck in the December '10 issue, fans went wild! Melonie Max (above) debuted in the May '10 issue and by September '10, she was takin' it hard and deep. And Tatiana Blair (above) went from solo debut in the August '10 issue to milkin' the meat tube in October '10. This dozen is indeed dirty and we love them for it. Vote for your fave on page seven!
